

**Equal opportunities
to lead**

**Choice in where to
live, learn and work**

Break down the barriers

**that lead to violence against
women and girls with disabilities.**

**Autonomy over body
and health and
reproductive choices**

**Options for how
to identify**

**Information about
human rights**

**Access to communicate
and participate**

**Agency over money
and life decisions**

**Find evidence, resources and tools to
help stop violence against women and
girls with disabilities, before it starts**
